Premium is the maximum level modal premium that can be paid under the US Tax Code (§ 7702). It is possible that coverage will expire when either no premiums are paid following the initial premium or subsequent premiums are insufficient to continue coverage.

The maximum specified amount for children varies by account. Amounts shown above are subject to the terms of the underwriting offer for the account.

Children can be covered under their own GUL23C certificate, or under the Children's Term Rider attached to the employee's GUL23C certificate, but not both.

§ IRS Regulations will not allow the planned periodic premium amount shown to be paid to maturity. Projected premiums have been reduced as necessary to comply with these regulations.

\* Currently declared interest rates are distributed through bulletins and can be found on the agent website by searching for "interest" in the subject line of the bulletin. DO NOT USE THIS CARE IF THE DECLARED RATE IS LESS THAN 3.50%.

This ratecard is approved for use in: KY Only
