

When you visit a Delta Dental PPO™ dentist, you receive the most significant discounts which results in lower out-of-pocket costs. Our PPO dentists have agreed to accept lower fees as full payment for covered services. However, if you go to a dentist who doesn't participate in Delta Dental PPO, you can still save money if your dentist participates in Delta Dental Premier®. Like our PPO dentists, Delta Dental Premier dentists agree to accept Delta Dental's fee determination as full payment for covered services.
