Beginning with this year's open enrollment period from April 28 to May 16, 2025, the University of Kentucky is partnering with **The Prudential Insurance Company of America (Prudential)** to offer you and your family the opportunity to elect Hospital Indemnity Insurance coverage.

I have a good medical plan, so why do I need hospital indemnity insurance?

A hospital indemnity plan works to complement your medical coverage—paying in addition to what your health plan may or may not cover.

It pays a lump-sum amount directly to you to use however you choose, like for out-of-pocket[†] medical costs such as deductibles, co-pays, or non-covered services. You can even use it to help pay for everyday living expenses, like babysitters and take-out food, making recovery a little easier and helping you to safeguard your savings.

55%

of U.S. households struggle to pay their medical bills in a given year.[§]

What types of services are covered?

Hospital indemnity insurance issued by **The Prudential Insurance Company of America (Prudential)** pays you for a variety of medical services including, but not limited to:

Hospital services:

- Hospital Admissions
- Daily In-Hospital Stays
- Intensive Care Unit Admission
- Daily Hospital Intensive Care Unit Stays
- Urgent Care Benefit
- Mental Illness/Nervous Disorder Facility Care Benefit
- Premature infant and NICU benefit
- High Risk Pregnancy Benefit
- Substance Abuse Facility Care Benefit

How much would it cost?

Hospital indemnity insurance may cost less than you think. It's designed to be an affordable way to complement your medical plan.

Do I have to answer medical questions to get this coverage?

No. You're guaranteed coverage regardless of your health when you enroll during your annual open enrollment period or if you experience a qualifying event. You just need to be actively at work on the day your coverage starts.

Is my family eligible to enroll for this coverage?

Yes. You can choose coverage for yourself as well as eligible dependents.

Can I keep my coverage if I change jobs or retire?

Yes. This coverage is portable, meaning you can take it with you. Your coverage will only end if you stop paying your premiums, which will be direct billed once we're notified of a change in your employment status.

Are there additional benefits?

With our health screening benefit, each covered person can receive \$100 every year for getting one health screening test, such as a blood test, chest x-rays, stress tests, colonoscopy, or mammogram.
